It is the student's responsibility to complete degree requirements. This Audit is subject to all degree requirements as stated in the NC Catalog, including grade point average and minimum residence. It is valid only for the degree, major, and catalog specified above. This Audit is VOID if the student changes degree programs, selects a different catalog edition, fails to have continuous enrollment, or does not complete degree requirements within one semester after the above stated "Expected Semester of Graduation". Should any present degree requirements be retroactively changed by the Faculty or Board of Trustees, the student is responsible for incorporating the changes in their degree program.
