

Please plan to attend
Teacher Education Program

DATA DAY

Taking it to the next level

Monday, August 15, 2011 9am until 3pm
215 McClurg LearnLab

During this retreat we will review important data to inform the 2011-2012 program and to help prepare for the NCATE visit.

Your attendance is vital to the continuous improvement of our program.

"A teacher is a person who knows all the answers but only when she asks the questions"
