

Directions: Please take a moment to reflect on each of the following questions.

	<p>What did you see today that you hadn't noticed before? <i>It's true that we are doing well, but the interpretation of data can say a lot! I realize this, but to actually see it (results) indicate we're doing well across the board.</i></p>
	<p>For you, what was an important consideration during today's discussion(s)? What was on your mind? <i>To hear others interpretation of how they perceived the meaning of various PLO's.</i></p>
	<p>Have you had a change of heart about anything as a result of today's discussion(s)? If not, why? <i>Data can really be helpful ☺ → It validates ←</i></p>
	<p>Is there something that clicked for you today? <i>With various concerns, it's good to know that you are not the only one feeling that there are concerns with various issues.</i></p>
	<p>Based on today's discussion(s), what's an idea that you plan to implement? <i>To really focus on making sure that our PLO's align with course content + assignments.</i></p>
	<p>Is there anything else that made you go "Hmmm"? Further questions? Concerns? Thoughts? <i>We need to keep up with changes that are taking place!</i></p>

Directions: Please take a moment to reflect on each of the following questions.

	<p>What did you see today that you hadn't noticed before?</p> <p><i>I saw today all content areas working as one! How can we get our students to see this?</i></p>
	<p>For you, what was an important consideration during today's discussion(s)? What was on your mind?</p> <p><i>Adding another piece to dispositions and making them consistent throughout the education department</i></p>
	<p>Have you had a change of heart about anything as a result of today's discussion(s)? If not, why?</p> <p><i>Using the rubric for lesson plans. Still not sure still not sure if I want to implement in PHE 210</i></p>
	<p>Is there something that clicked for you today?</p> <p><i>Alignment of Student Learning Outcomes to PLO's not just to NASPE.</i></p>
	<p>Based on today's discussion(s), what's an idea that you plan to implement?</p> <p><i>A section in PHE 255 specifically related to diversity and planning for all learners.</i></p>
	<p>Is there anything else that made you go "Hmmm"? Further questions? Concerns? Thoughts?</p> <p><i>Praxis test and student preparation.</i></p>

Directions: Please take a moment to reflect on each of the following questions.

	<p>What did you see today that you hadn't noticed before?</p> <p>As an absolute newbie, there was an incredible amount of new info -- the way data are collected + analyzed relating to the RO's leads me to lots of questions to pursue. Whew!</p>
	<p>For you, what was an important consideration during today's discussion(s)? What was on your mind?</p> <p>I was impressed by the degree of collaboration + the eagerness to design cohesive protocols + strategies throughout the program.</p>
	<p>Have you had a change of heart about anything as a result of today's discussion(s)? If not, why?</p> <p>Not sure what to call it, but the need for specificity + vertical alignment means that I'll be as concrete as possible w/ students this fall; nobody wants to use different jargon or complicate matters.</p>
	<p>Is there something that clicked for you today?</p> <p>I loved the idea of revising the lesson plan rubric to better chart development + progress. What a great strategy to model for our students!</p>
	<p>Based on today's discussion(s), what's an idea that you plan to implement?</p> <p>I've always been a fan of student-generated rubrics, but discussing what makes one "user-friendly" or "clunky" was highlighted.</p>
	<p>Is there anything else that made you go "Hmmm"? Further questions? Concerns? Thoughts?</p> <p>I'm looking forward to figuring out how some of the data reflects what's playing out in the program.</p>

Directions: Please take a moment to reflect on each of the following questions.

	<p>What did you see today that you hadn't noticed before?</p> <p>I had not seen any of the data, so I had no real idea of what specific data was collected</p>
	<p>For you, what was an important consideration during today's discussion(s)? What was on your mind?</p> <p>Definition of diversity. we need a simple definition that is stated in the PLO</p>
	<p>Have you had a change of heart about anything as a result of today's discussion(s)? If not, why?</p> <p>not really</p>
	<p>Is there something that clicked for you today?</p>
	<p>Based on today's discussion(s), what's an idea that you plan to implement?</p> <p>I do not teach any courses that relate to the TEP, so implementation would need to be in applications to other areas</p>
	<p>Is there anything else that made you go "Hmmm"? Further questions? Concerns? Thoughts?</p>

Directions: Please take a moment to reflect on each of the following questions.

	<p>What did you see today that you hadn't noticed before? Content area faculty and Education faculty collaborating & working toward program improvement</p>
	<p>For you, what was an important consideration during today's discussion(s)? What was on your mind? Developmental growth of teacher candidates: moving toward like-mindedness between faculty</p>
	<p>Have you had a change of heart about anything as a result of today's discussion(s)? If not, why? The importance of each PLO separately and as a unit</p>
	<p>Is there something that clicked for you today? Dispositions and how they play out in the teacher ed. program</p>
	<p>Based on today's discussion(s), what's an idea that you plan to implement? Bringing dispositions into the forefront in courses I teach</p>
	<p>Is there anything else that made you go "Hmmm"? Further questions? Concerns? Thoughts? More practical experiences in teaching (on change chart). With Ed. Dept. growth in faculty, I would like us to outline when, where, how of these experiences, expectations, etc. over 2 year preparation of Jr., Sr Year.</p>

Directions: Please take a moment to reflect on each of the following questions.

	<p>What did you see today that you hadn't noticed before?</p> <p>I appreciated seeing that our PLO data was drawn from a variety of interrelated sources - and that the data is fairly consistent.</p>
	<p>For you, what was an important consideration during today's discussion(s)? What was on your mind?</p> <p>I feel a certain responsibility for the ^{NCATE} presenting well during the visit. I'm new to this world; hope that I'll not be a hindrance.</p>
	<p>Have you had a change of heart about anything as a result of today's discussion(s)? If not, why?</p> <p>Just a renewed sense of appreciation for the work the EDU faculty has already put into these reports.</p>
	<p>Is there something that clicked for you today?</p> <p>As I said above - the seeing the connections between the data sources was helpful.</p>
	<p>Based on today's discussion(s), what's an idea that you plan to implement?</p> <p>I will be asking for data on our specific programs (ENG: HIS/SS) in order to address weaknesses on the content level.</p>
	<p>Is there anything else that made you go "Hmmm"? Further questions? Concerns? Thoughts?</p> <p>I'm interested to see the further evolution of self-reflection on the part of our students.</p>

Directions: Please take a moment to reflect on each of the following questions.

	<p>What did you see today that you hadn't noticed before?</p> <p>Became aware of the many different assessments used for education candidates.</p>
	<p>For you, what was an important consideration during today's discussion(s)? What was on your mind?</p> <p>It is very difficult to assess/predict a candidate's classroom management skill.</p>
	<p>Have you had a change of heart about anything as a result of today's discussion(s)? If not, why?</p> <p>Not exactly a change of heart, but the comment about "changing for change sake" made me think - If ^{parts of} the program works, don't "fix" them.</p>
	<p>Is there something that clicked for you today?</p> <p>Modeling effective classroom management in content area courses is important for the education majors in the course. (We need to know who the education majors are in content area courses)</p>
	<p>Based on today's discussion(s), what's an idea that you plan to implement?</p> <p>And Carefully consider alignment of PLO's to syllabi.</p>
	<p>Is there anything else that made you go "Hmmm"? Further questions? Concerns? Thoughts?</p> <p>This is my 1st day as a full-time faculty member at Newberry college. (∴ <u>everything</u> made me go "hmmmm")</p>

Directions: Please take a moment to reflect on each of the following questions.

	<p>What did you see today that you hadn't noticed before?</p> <p>I saw many faces that I had not seen before - Now I have a face to match an email</p>
	<p>For you, what was an important consideration during today's discussion(s)? What was on your mind?</p> <p>Talking about how all of our work classes come together to make the Teacher Candidates successful</p> <p>finishing my syllabus was also on my mind!</p>
	<p>Have you had a change of heart about anything as a result of today's discussion(s)? If not, why?</p> <p>Not really - still very excited about working here - can't wait to feel like I have a better "grip" on what I am doing.</p>
	<p>Is there something that clicked for you today?</p> <p>I am getting a better feel for the P.L.O.'s and how everything is connected to them</p>
	<p>Based on today's discussion(s), what's an idea that you plan to implement?</p> <ul style="list-style-type: none"> • a day or two on lesson planning in my 341 class • as many experiences and ideas that I can give to my students
	<p>Is there anything else that made you go "Hmmm"? Further questions? Concerns? Thoughts?</p> <p>I am still learning the language SPA, NCATE, NTASC, PLO</p> <p>whew!</p>

Directions: Please take a moment to reflect on each of the following questions.

	<p>What did you see today that you hadn't noticed before?</p> <ul style="list-style-type: none"> - New people - I got to talk with folks I hadn't before. - Learn more about the Ed dept, what they do, + how they approach issues. - Disposition Awareness
	<p>For you, what was an important consideration during today's discussion(s)? What was on your mind?</p> <p>Combining different ^{or related} ideas into single "tasks."</p>
	<p>Have you had a change of heart about anything as a result of today's discussion(s)? If not, why?</p> <p>I don't think so. I don't believe (as someone relatively new to NC) I had any pre-conceived ideas about about the program.</p>
	<p>Is there something that clicked for you today?</p>
	<p>Based on today's discussion(s), what's an idea that you plan to implement?</p> <p>Addressing "taking criticism" w/ students.</p>
	<p>Is there anything else that made you go "Hmmm"? Further questions? Concerns? Thoughts?</p> <p>Just how large an umbrella we make the word "Diversity" - seems awfully big.</p>

Directions: Please take a moment to reflect on each of the following questions.

	<p>What did you see today that you hadn't noticed before?</p> <p><i>Lisa and I think alike many times. more scary - Charli and I think alike many times too -</i></p>
	<p>For you, what was an important consideration during today's discussion(s)? What was on your mind?</p> <p><i>Seeing the data on our students validates the good work that we are doing to prepare future teachers.</i></p>
	<p>Have you had a change of heart about anything as a result of today's discussion(s)? If not, why?</p> <p><i>How do we make "the best," better? ← The data did not change my mind about what we do other than</i></p>
	<p>Is there something that clicked for you today?</p> <p><i>It takes a community to create good teachers. Other faculty outside the EDU's have great ideas! Are we changing or adapting?</i></p>
	<p>Based on today's discussion(s), what's an idea that you plan to implement?</p> <p><i>Make sure that the written syllabus reflects all of the concepts in my course My syllabus is too general about some concepts</i></p>
	<p>Is there anything else that made you go "Hmmm"? Further questions? Concerns? Thoughts?</p> <p><i>We work well together and we need to share ideas & brainstorm more.</i></p>

Directions: Please take a moment to reflect on each of the following questions.

	<p>What did you see today that you hadn't noticed before? Nothing... I was confirmed that we lack rigor. Our students are scoring very high in courses but that is not reflected in other measures.</p>
	<p>For you, what was an important consideration during today's discussion(s)? What was on your mind? The data reviewed show we are grading our students as Excellent but we are being graded as Proficient by graduates and principals. Hmmm.</p>
	<p>Have you had a change of heart about anything as a result of today's discussion(s)? If not, why? I learned I like sesame dressing and a variety of of salads! 😊</p>
	<p>Is there something that clicked for you today? WOW - our data is a mess. Tables are not labeled or labeled incorrectly. N's are different when they shouldn't be. How can we effectively interpret data when we aren't sure what it is.</p>
	<p>Based on today's discussion(s), what's an idea that you plan to implement? I plan to redesign lesson plan rubric and template. We need something more consistent.</p>
	<p>Is there anything else that made you go "Hmmm"? Further questions? Concerns? Thoughts?</p>
