

PL0#6 How did we perform? Overall? By Program?

- More Dispositions occurring in P.E.
- One student is a repeat offender
- Professional Commitment dispositions greater than others (13/23)
- Action Plans in place for 18/23 indicates students' abilities to improve or address weakness
- Would it be helpful to include internship evaluation data?

- "Dispositions" Filed form
- need a more clear name? "Disposition Concern Area"?
- Assessment by FAC is in-depth (good sense of moving through the program)
- Possible to tie Self Assessment to Several Courses?
- Good assessment idea in addition to semester grade.

- ** Tables need to be labeled clearly so data can be analyzed correctly.
- * We need to operationalize what a 4 (Excellent) is and so on... Seems some are more lenient than others. What is excellent professional commitment vs. proficient professional commitment, etc.?
