

TEP Action Steps for 2011-12

Created as a result of Data Day 2011

Action Steps for Improvement of Unit Instruction

- Add Diversity PLO.
- Revise the lesson plan template(s) and rubric.
- Redesign when and how to teach the fundamentals of lesson planning.
- Provide information and opportunities to students and faculty regarding PRAXIS content and test design.

Action Steps for Improvement of Unit Assessment

- Study alignment of PLOs across syllabi and key assessments.
- Add content questions to principal and post-graduate surveys.
- Expand assessment of Dispositions in one or more of the following ways: 1) Integrate self-assessment rubric into several courses including content areas, 2) Demonstrate growth by assessing Dispositions consistently throughout program, and/or 3) Incorporate developmental strategies to take and constructive criticism.
- Establish a system where Education faculty examine PRAXIS sub-scores to determine areas of weakness.
